

HAYES Lunch & Learn!

While you enjoy free lunch, I'll show you a few things that will help improve your practice.

OUR MENU OF **FREE LUNCH & LEARN** TOPICS:

Handpiece Maintenance

- ✓ Cleaning, lubricating and autoclaving...am I doing this right?
- ✓ 1 FREE CE credit through Dentrek

CDC Guidelines for Handpiece Maintenance

- ✓ Should I sterilize my low-speed motors or electric handpieces?
- ✓ What does the CDC say about cleaners and disinfectants?

New Handpiece & Instrument Technology

- ✓ Are electric handpieces a good fit for my practice?
- ✓ What's new for endo and implant procedures?

Instrument Audit

- ✓ What needs to be sharpened or replaced?
- ✓ Do I have enough instruments for my patient load?
